

Praise God from whom all blessings flow

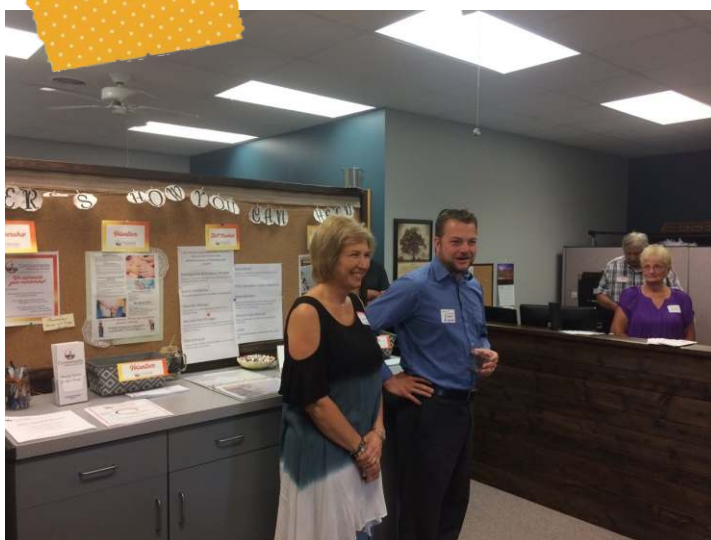

Romans 11:36

Thank you to all who came to visit at our open house event, or who helped in any way!
God has brought us to a new chapter, and we are *Thankful, Grateful, Blessed!*

These pages introduce our new and increased space, and share some of the ways we plan to serve through expanded outreach!

Crossroads
of Crawford County

The Family Den Area is inspired by a problem we had several families face: lack of space conducive to family time during visits. The Iowa Foundations/Crawford County enabled us to launch the project, with additional assistance from these listed donors. It is available by appointment. Staff will always be present when it is in use, and if specific professional roles are necessary, can be provided for a fee.

The Sparrow's
NEST

We are building up an area which Crossroads named “The Sparrow’s Nest”. Local crafters are welcome to craft items for our resale. Donations are greatly appreciated, though we also will be purchasing inventory as our budget for the area will allow.

While the inventory buildup costs have been significant, we hope for it to bring people into our door to learn what we are about and raise awareness of our community’s needs. Eventually, we hope that proceeds from the Sparrow’s Nest sales will offset some of our new overhead expenses. Regular hours will be set up once we have a volunteer in place to manage the area, hopefully soon.

Here's How You Can Help!

While we were gaining footing at our former location, the need for the service was clear by the increasing number of families and situations we served. We prayerfully anticipated a space we could grow into with more staff. And we were blessed with just that!

Managing the load has been a challenge due to inadequate staff.

Now that we have more space, **we need more players!**

Visit with us about your passions & help us build!

We hope for players that can combine paid and some volunteer time until finances allow for more. Specific roles would also be combined according to individual talents and skills.

You can help us promote this Christian outreach by assuring effective & compassionate staffing! We need multiple personalities, skills, and availability of staff to meet the ongoing needs of those who come to us.
