

*A Christian,  
denomination-neutral effort in  
Crawford County to be the action  
form of love for our neighbor!*

**Our work involves three areas of service:**

**Pregnancy & Parenting Resource Center**

- Service offered at no charge, with volunteers & paid staff essential to our effectiveness

**Christian Family Resources & Referral Assistance**

- Services offered for freewill donation; fee based for in depth services

**CoCares**

- Fee-based services on a sliding scale with supplementation from community endorsements

The overall intention is to journey with families as we empower them with Christian encouragement and support as we can. When professional referral is necessary, we are prepared to do so, and we can continue to be a collaborating energy with that service or program. Finding resources that help in the midst of challenging family times can be difficult, and we strive to connect them with relevant and personalized materials, from a Christian viewpoint when possible.

*Let each of you look not only to  
his own interests, but also to the  
interests of others.*

*Philippians 2:4 (ESV)*

*Everyone hits hard times  
in their life journey.*

Our Services are offered at no fee or on a sliding fee scale because we know difficult situations can become worse when lack of financial resources prevent families from getting help.

We can only provide this outreach because of the financial gifts from those who are passionate about

**LIFE & LIVING LIFE!**

Financial contributions are applied to direct assisting within our programs. Crossroads of Crawford Co. is a 501c3 charitable organization.
