

The chicken DID cross the road!

Thanks to every chicken carry out last Tuesday, we netted net over \$5700!

We served 500 meals and are grateful to everyone:

- Who purchased chicken
- Who helped with cooking, packing, delivering, directing, cleaning
 - Who gave extra toward our project
- Who expressed love for what is developing for Crawford County!

Our 10-29-24 Ultrasound & Site Campaign grand total is now \$318, 536!

41K to get across the Bridge and then Phase II will go more quickly because some expenses and work are already addressed!

We are encouraged by YOU! The plans are for an area of the new building to be the ultrasound center. This is only for 1st time ultrasounds in event of unplanned, late pregnancy with no OB care, or early pregnancy before we ALSO will assist with or assure that every woman who comes to us finds good prenatal care.

The other office areas are for

- family resourcing
- mentoring and support to young parents
- Peer group meetings such a devotional or activities
- staff offices
- Sparrow's Nest gift area (a fun way to encourage you to STOP IN and get acquainted, including Jumpy Monkey Premium Coffee in whole bean & ground varieties!)

THANK YOU
also to Fareway
& HyVee for some
extras in the
meal!
