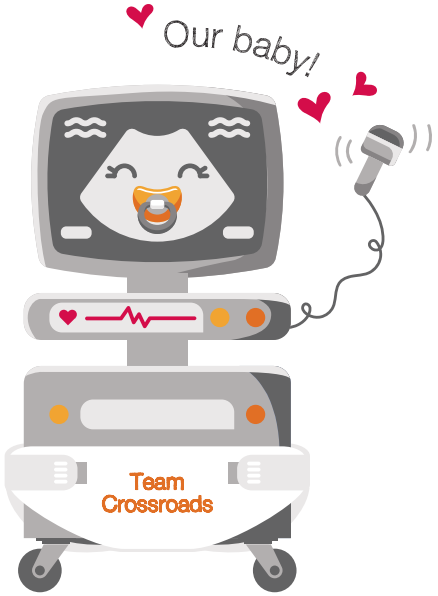
We are blessed & grateful to announce:

Our "baby" is here!

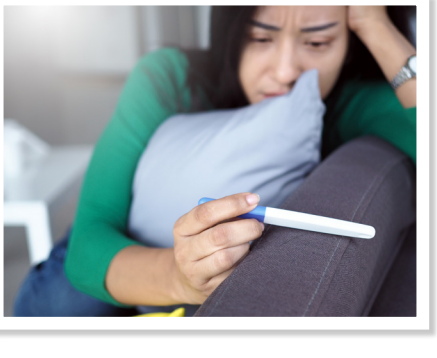


Like a newborn needs nurturing caregivers who provide:

- *love*
- *nourishment*
- *protection*
- *care*

over all the years of childhood.

Crossroads needs to do the same for "its baby" in order to help those who come to us care for their baby!



Your ongoing, gracious help through

- Financial Fueling
- Prayerful Support
- Practical Assisting

empowers us to

- walk alongside of them in their decisions
- offer practical support
- mentor and equip them for parenthood
- lead them to home building--God's way

The ultrasound machine along with the supplies and auxiliary equipment for performing ultrasound have been generously fundraised by the ambition of

- **The Knight of Columbus groups in and surrounding our area**
- **The National Council of the Knights of Columbus**
- **Four local Lutheran Church, Missouri Synod congregations plus**
- **A matching grant by the Life Ministry of the Lutheran Church, Missouri Synod**

Phase II Anchoring Donors
have graciously empowered the purchase of building which is the Crossroads' Center. Without their support and encouragement, we could not have begun this project of SERVING LIFE through the Crossroads of Crawford County Ultrasound Campaign.

- **Anonymous (a former Crawford County citizen who is passionate for life)**
- **Jens Carstensen Family Memorial through UCC, Schleswig**
- **Jim & Marsha Lindstrom**
- **Kerry & Jill Kirscht**
- **Gary & Karen Christiansen**
- **Kathleen Schwarz**
- **Jason Rasmussen**

What's Next?

Professional Training

Every ultrasound that Crossroads performs needs to be done within the center's medical grade policy in order to gain full respect of being accurate, life-affirming, and "medically correct".

Those performing the ultrasound will be fully trained to offer *limited obstetric ultrasound* AND to respond in Chrisitan encouragement and compassion. We have training scheduled at our center in late September. We have paid for half the fee and will need to pay the other half plus compensate trainee time.

Professional Insuring

A medical model Pregnancy Resource Center is required to insure each of its medical professionals with professional liability. This will be a new expense and in addition to the other general insurances, is important, yet financially daunting.

Payment of the modification loan from when we purchased the building. Property taxes on the rented portion of our building have taken a large hike. Additionally, there have been building improvements we hoped could wait. This slowed payoff. We very much need anchoring funding from those who desire to see our ministry grow by SERVING LIFE.

Crossroads offers education about the developing embryo/fetus/baby while seeking to understand the barriers to confident parenthood, and we stand prepared to partner with them in choosing life and the issues involved in the journey of parenthood. We do not offer, recommend, or refer for abortions or abortifacients or birth control.

Thank you for your prayerful support!

Crossroads is a 501c3 charitable organization. Your monetary donation is tax deductible. (ID # 81-0902310)
