

# God's Itty Bitty & Great Big!

We set our goal beyond double of what we raised for the Life Launch phase of our PRC work because:

- 1) we now have more supporters and
- 2) we need to invest in compassionate, skilled staffing to be EFFECTIVE as we continue serving BOTH underserved populations.

As a LIFE AFFIRMING Pregnancy Resource Center, we:

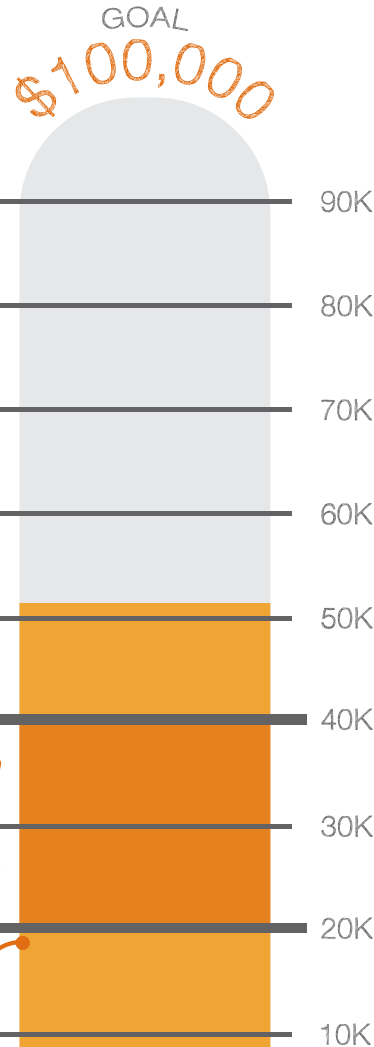

- are there at the front end of the difficult emotions
- affirm LIFE & HOPE
- help to reduce or remove barriers to effective parenting
- and keep supporting with education & encouragement through the child's early years

AT NO CHARGE EVER TO THE YOUNG PARENTS  
BECAUSE YOU GIVE

WE MADE IT!!!
